Death is waiting.Once it’s touched our souls, it hungers for our return.And when it comes for Ara again, she will wish it were that easy.Moving on from David was hard, forgetting the abduction and abuse was hell, but when a spunky new vampire enters her life, he sets in motion a string of events that see her fall into the hands of a masochistic king.Ara must push beyond pain, suffering, and the kind of torture no living creature should endure. And in the end, something new will arise from the ashes of the once-broken girl. Something that will tear down the vampire community.Each book must be read in chronological order.

A generation past, the western realms were embroiled in endless war. Then the Destroyer came. From the blood and ashes he left behind, a tenuous alliance rose between the barbarian riders of Parsathe and the walled kingdoms of the south. That alliance is all that stands against the return of an ancient evil—until the barbarian king and queen are slain in an act of bloody betrayal. Though forbidden by the alliance council to kill the corrupt king responsible for his parents’ murders, Maddek vows to avenge them, even if it costs him the Parsathean crown. But when he learns it was the king’s daughter who lured his parents to their deaths, the barbarian warrior is determined to make her pay. Yet the woman Maddek captures is not what he expected. Though the last in a line of legendary warrior-queens, Yvenne is small and weak, and the sharpest weapons she wields are her mind and her tongue. Even more surprising is the marriage she proposes to unite them in their goals and to claim their thrones—because her desire for vengeance against her father burns even hotter than his own...

Alise has uncovered a web of family secrets reading her mother's journals that connect to the lives of those closest to her. Now she has to contend with her new career as Director of Global Charity at TG and the irresistible Tyler Moore, while harboring secrets of her own. Tyler Moore is new in town and wants to make his mark on the world as the new Director of Marketing at TG, but at the same time he wants Alise Addison with a passion he's never known. Tyler becomes engrossed in Alise's life as an old flame from her mother's past returns to exact revenge, while also harboring a secret that threatens a relationship between them. Together Alise and Tyler are about to discover that every family has their secrets and some family secrets should stay hidden. Excerpt: My Secrets: Book Two in The Secret Series “You’ve known about this for weeks! Alise, I trusted you and you lied to me! What else are you keeping from me?” He really didn’t want me to answer that question because it was a truckload of secrets. “As a matter of fact you know what don’t answer that! You were right. Your just like your mother!”

Synopsis: Revealing the Hidden Secrets delves into the mysteries of the Book of the Revelation to John, offering a deeply spiritual message that is both timely in its response to current events and urgent in its plea for the salvation of the world. Author Emad Wissa brings to light amazing details about the Churchs life on earth her history, her times, and her reign. In addition to Church history, the book proposes the spiritual meaning of major historical events, including the three most significant and to the unprepared mind disastrous world events: the rise of Communism; the return of the Jewish people to Israel; and the first battle leading to Armageddon, waged in April, 2003, when America launched its military campaign in Iraq. Why the urgency? The time is very short. Look around and see: in the Land of the Euphrates in the European Union in the Middle East, with its Arab-Israeli conflict and in the developing situation with Iran Then look at the Christian world today, part dead, part lukewarm, and part with a little power. In such a world, the Revelation to John is a clear, loud voice from God, calling for repentance and salvation. Those who ignore His voice do so at their peril, for whether or not they believe in the word of God or even in heaven itself the end-time events will affect everyone.

Eekhoud's legendary account of love between the Count and Guidon... following the latter's dalliance with servant gal Blandine. Tame by 19th century standards, it's still a foundational work of gay literature.

Upton Sinclair, one of America's foremost and most prolific authors, addresses the cultivation of the mind and the body in this 1922 volume. Sinclair's goal was to attempt to tell the reader how to live, how to find health, happiness and success, and how to develop fully both the mind and the body. Part One: The Book of the Mind covers such subjects as faith, reason, morality, and the subconscious. Part Two: The Book of the Body develops such subjects as errors in diet, the fasting cure, food and poisons, work and play, and diseases and their cures .

I lived in a world of darkness, never to see the light again. It's been eleven years since my father cursed Crystal City, since he condemned me to a life of loneliness and misery. By taking away everything that my mother loved, he took everything that I knew and cared for. Everything, but the throne. Only what good was being a queen in a city of mindless killers? A city that would never see the sunlight until the day of my death. I truly had nothing to live for... ..Or so I thought. The night that Wolfe was dragged into my palace, I knew that my life would never be the same. We were childhood friends once, but we went our separate ways. He became captain of the pirates, and I ascended to the diamond throne. My once sworn protector had become my enemy, but we were both alone, and the connection we felt was almost unbearable to ignore. My heart only cracked after my father abandoned me, but Wolfe would completely shatter it. For someone that hasn't felt anything for years, that wasn't such a bad thing.

Armchair Fiction presents extra large science fiction double novels with original illustrations. "Dark Destiny" by Dwight V. Swain is the first novel. He was known throughout the system as Sha Haral, a fierce space warrior with a lust for power. He'd blasted his way back and forth across the spaceways many times. However, Haral's fortunes had taken a turn for the worse, and he soon became a downtrodden, bitter would-be conqueror haunting the dives on a backwater planet called Ulna. But his fate took an unexpected turn when a beautiful blonde-haired priestess, fleeing from a space pirate's hordes, fell into his lap. From this priestess Haral learned of an ancient woman-goddess who, according to legend, lay sleeping in a lost city surrounded by a legion of terrifying monsters. This ancient goddess, whose face was half-hidden by a jeweled veil, was known as a woman of ultimate beauty, possessing secrets of great power. And she still lay there, in her crumbling city, waiting for someone to awaken her... The second novel, "The Secret of Planetoid 88," is by Ed Earl Repp. Dane Cabot was just one of many slaves of the dictators--"The Hundred" as they were known--who ruled Earth with an iron hand. After a joy ride to a distant planetoid, Cabot returned to Earth to find himself falsely accused of murder. There was no trial--The Hundred didn't operate that way. He was soon sentenced to die. But when a mysterious stranger interceded, Cabot found himself a stowaway on a space cruiser headed for Io, moon of Jupiter. There Cabot found a tiny colony of rebels with a master plan for the eventual freedom of Earth's enslaved populace. But radiation from Jupiter's Great Red Spot was slowly destroying Io. So Cabot and his fellow rebels found themselves in a desperate race against time. Could they orchestrate their plans before the rising tide of planet-wide disintegration overtook them? Deep in the void of space was a secret, a secret that was the key to freedom--if they could find it in time...
