## THE FIRST AGENT OF HEL NOVEL!

“ Jacqueline Carey proves her versatility with this compelling and delightful piece of urban fantasy. ” —#1 New York Times Bestselling Author Charlaine Harris

The Midwestern resort town of Pemkowet boasts a diverse population: eccentric locals, wealthy summer people, and tourists by the busload—not to mention fairies, sprites, vampires, naiads, ogres, and a whole host of eldritch folk, presided over by Hel, a reclusive Norse goddess. To Daisy Johanssen, fathered by an incubus and raised by a single mother, it ’ s home. And as Hel ’ s enforcer and the designated liaison to the Pemkowet Police Department, it ’ s up to her to ensure relations between the mundane and eldritch communities run smoothly. But when a young man from a nearby college drowns—and signs point to eldritch involvement—the town ’ s

She's a cold fish desperate to break a curse. He's a college student without direction. Lady Hel, the goddess of death, has given up on love and has no use for it. After all, she's the ruler of Helheim, the realm of the undead! She doesn't need anyone...until she crosses Odin, the All-Father of the Norse gods. For her betrayal, she 's exiled, cursed to look for her reincarnated one, true love, who died long ago. Now, stripped of her throne and most of her powers, will Lady Hel find love to remove the curse, or will she forever powerlessly suffer in turmoil, agony, and anguish? Harley Andersen is a seven-year college senior with no idea what to do with his life. So far, all he's come up with is killing time. When his best friend dares him to hop the gate of what's supposed to be a haunted house, he encounters a woman who steals a lot more than his breath. What

The New York Times and USA Today bestselling series They dive so humanity survives ... More than two centuries after World War III poisoned the planet, the final bastion of humanity lives on massive airships circling the globe in search of a habitable area to call home. Aging and outdated, most of the ships plummeted back to earth long ago. The only thing keeping the two surviving lifeboats in the sky are Hell Divers—men and women who risk their lives by skydiving to the surface to scavenge for parts the ships desperately need. When one of the remaining airships is damaged in an electrical storm, a Hell Diver team is deployed to a hostile zone called Hades. But there ' s something down there far worse than the mutated creatures discovered on
