Ron Suskind's book *The Price of Loyalty: George W. Bush, the White House, and the Education of Paul O'Neill* is one of the first books to have hit the stands about the dysfunction within the 43rd President's administration. It is Paul O'Neill's version of his short stint in the administration that lasted for a little over two years until his abrupt resignation in 2003.

Read Online The Price Of Loyalty George W Bush The White House And The Education Of Paul O Neill

A devastating account of the inner workings of the George W. Bush administration, written with the extensive cooperation of former U.S. Treasury Secretary Paul O'Neill. As readers are taken to the very epicentre of government, this news-making book offers a definitive view of Bush and his closest advisers as they manage crucial domestic policies and global strategies within the most secretive White House of modern times.

The Pulitzer Prize-winning journalist

Read Online The Price Of Loyalty George W Bush The White House And The Education Of Paul O'Neill

provides a provocative odyssey behind the scenes of the White House to reveal the inner operations of the administration of George W. Bush, furnishing a close-up view of the president and his advisors as they develop key domestic policies and global strategies during a turbulent period of history. 200,000 first printing.

In this book, we have hand-picked the most sophisticated, unanticipated, absorbing (if not at times crackpot!), original and musing book reviews of "The Price of Loyalty: George W. Bush, the White House, and the Education

Read Online The Price Of Loyalty George W Bush The White House And The Education Of Paul O'Neill.

Don't say we didn't warn you: these reviews are known to shock with their unconventionality or intimacy. Some may be startled by their biting sincerity; others may be spellbound by their unbridled flights of fantasy. Don't buy this book if: 1. You don't have nerves of steel. 2. You expect to get pregnant in the next five minutes. 3. You've heard it all.

This book explores how and why Vietnam loomed so large for Humphrey as vice president from 1964 through the 1968 election campaign against Nixon, assessing the disconnect

Of Paul O'Neill
In his devastating new book Pulitzer Prize-winning journalist Ron Suskind takes readers inside the defining conflict of our era: the war between the West and a growing, shadowy army of terrorists, armed with weapons of alarming power. Relying on unique access to former and current government officials, this book will reveal for the first time how the US government -- from President Bush on down -- is frantically improvising to fight a new kind of war. Where is the enemy? What have been the real victories and defeats since 9/11? How are we actually fighting this war and how can it possibly be won? Filled with

Of Paul O'Neill
astonishing disclosures, Suskind's book shows readers what he calls "the invisible battlefield" -- a global matrix where US spies race to catch soldiers of jihad before they strike. It is a real-life spy thriller with the world's future at stake. It also reveals the shocking and secret philosophy underpinning the war on terror. Gripping and alarming in equal measure, it will reframe the debate about a war that, each day, redefines America and its place in the world.

All Too Human is a new-generation political memoir, written from the refreshing

Read Online The Price Of Loyalty George W Bush The White House And The Education Of Paul O'Neill

perspective of one who got his hands on the levers of awesome power at an early age. At thirty, the author was at Bill Clinton's side during the presidential campaign of 1992, & for the next five years he was rarely more than a step away from the president & his other advisers at every important moment of the first term. What Liar's Poker did to Wall Street, this book will do to politics. It is an irreverent & intimate portrait of how the nation's weighty business is conducted by people whose egos & idiosyncrasies are no sturdier than anyone else's. Including sharp portraits of the Clintons, Al Gore, Dick

Of Paul O'Neill, Colin Powell, & scores of others, as well as candid & revelatory accounts of the famous debacles & triumphs of an administration that constantly went over the top, *All Too Human* is, like its author, a brilliant combination of pragmatic insight & idealism. It is destined to be the most important & enduring book to come out of the Clinton administration.

From Pulitzer Prize-winning journalist and bestselling author Ron Suskind comes a startling look at how America and the West lost their way, and at the struggles of their

respective governments to reclaim the moral authority on which their survival depends. From the White House to Downing Street, and from the fault-line countries of South Asia to the sands of Guantanamo, Suskind offers an astonishing story that connects world leaders to the forces waging today's shadow wars and to the next generation of global citizens. Tracking down truth and hope, Suskind delivers historic disclosures with this emotionally stirring and strikingly original portrait of the post 9-11 world.

The hidden history of Wall Street and the

Of Paul O'Neill

White House comes down to a single, powerful, quintessentially American concept: confidence. Both centers of power, tapping brazen innovations over the past three decades, learned how to manufacture it. Until August 2007, when that confidence finally began to crumble. In this gripping and brilliantly reported book, Ron Suskind tells the story of what happened next, as Wall Street struggled to save itself while a man with little experience and soaring rhetoric emerged from obscurity to usher in “a new era of responsibility.” It is a story that follows the journey of Barack Obama, who rose

Read Online The Price Of Loyalty George W Bush The White House And The Education Of Paul O'Neill

as the country fell, and offers the first full portrait of his tumultuous presidency. Wall Street found that straying from long-standing principles of transparency, accountability, and fair dealing opened a path to stunning profits. Obama's determination to reverse that trend was essential to his ascendance, especially when Wall Street collapsed during the fall of an election year and the two candidates could audition for the presidency by responding to a national crisis. But as he stood on the stage in Grant Park, a shudder went through Barack Obama. He would now have to command

Washington, came New York, and rescue the economy in the first real management job of his life. The new president surrounded himself with a team of seasoned players—like Rahm Emanuel, Larry Summers, and Tim Geithner—who had served a different president in a different time. As the nation's crises deepened, Obama's deputies often ignored the president's decisions—"to protect him from himself"—while they fought to seize control of a rudderless White House. Bitter disputes—between men and women, policy and politics—ruled the day. The result was an administration that found itself overtaken by

events as, year to year, Obama struggled to grow into the world's toughest job and, in desperation, take control of his own administration. Pulitzer Prize-winning journalist Ron Suskind intro-duces readers to an ensemble cast, from the titans of high finance to a new generation of reformers, from petulant congressmen and acerbic lobbyists to a tight circle of White House advisers—and, ultimately, to the president himself, as you've never before seen him. Based on hundreds of interviews and filled with piercing insights and startling disclosures, Confidence Men brings into focus
