Paul Nicholls' charge won the RSA Chase at the 2019 Cheltenham Festival before finishing second at Aintree in April that year, but he missed last term after sustaining a leg injury.

Packer Throme longs to redeem his late father's honor by proving that the legendary Firefish, giant monsters of the sea, exist and can restore the fortunes of his sleepy fishing village. His desperate plan to stow away on the ship Trophy Chase, foiled by a band of ruthless pirates, launches Packer's adventures in this ebook first, The Trophy Chase Saga. Packer sails across the dangerous Vast Sea with Trophy Chase, seeking the great Firefish. Yet there are darker forces that long for the powerful secrets of these creatures: they strive to divide Packer from his true love, Panna, and to keep the nations of Nearing Vast and Drammun at war. Will Packer's masterful training of both the sword and the Firefish lead him and the Vast military to victory, or will he hold to his vow of nonviolence and trust the true Source of all power? Enemies from within and without plague Packer, Panna, and their loyal band of compatriots in their quest for faith, honor, and true dominion. 3-in-1 ebook bundle of The Legend of the Firefish, The Hand That Draws the Sword, and The Battle for Vast Dominion.

"The Legend of the Firefish" is a timeless tale of the pursuit of faith and honor. Packer Throme longs to bring prosperity back to his decaying fishing village by discovering the trade secrets of a notorious pirate who hunts the legendary Firefish and sells the rare meat. Armed with the love of the priest's daughter and a noble purpose, Packer stows away on the ship Trophy Chase bound for sea. But many tests of his faith and his resolve follow. Will belief and vision be enough for the young man to survive? Captivating action, dialogue, and insights into the heroic struggle of faith make this an ideal read for fans of adventure, fantasy, and well-told tales of honor.

As the "Trophy Chase" again sets sail, trouble returns in the form of pirate Scat Wilkins and a new Hezzan with diabolical designs on Nearing Vast. Adding salt to the wound, Panna is imprisoned by Prince Mather. Will Packer be able to rescue his ship, his bride, and the kingdom?

From the author of the highly praised Trophy Chase Trilogy comes this exciting swashbuckling tale of a pirate sentenced to die for the crime of mutiny. As he awaits his fate, this pirate (none other than the delightful Smith Delaney from the Trophy Chase Trilogy) ponders his life and the events that have brought him to this fate. In the process of remembering, and in grappling with mercy and justice as they have been played out in his life, a tale is spun, a tale of true hearts wronged, noble love gone awry, dark deeds done for the sake of gold, and sacrifices made for love. In the end, our pirate will come face-to-face with himself, with his own death, and with a God who promises grace where none is deserved. Readers of Christian fantasy will once again be swept away by Bryan Polivka's compelling storytelling abilities. As Publisher's Weekly said of the author's first book, "readers will be flipping pages eagerly."

Packer Throme, determined to demonstrate that power comes only from above, leads his people in a war against the dreaded Drammune.

Patrick Carr Launches a New Suspense-filled Fantasy Epic When one man is brutally murdered and the priest he works for mortally wounded on the streets of Bunard, Willet Dura is called to investigate. Yet the clues to the crime lead to contradictions and questions without answers. As Willet begins to question the dying priest, the man pulls Willet close and screams in a foreign tongue. Then he dies without another word. Willet returns to the city, no closer to answers than before, but his senses are skewed. People he touches appear to have a subtle shift, a twist seen at the edge of his vision, and it's as though he can see their deepest thoughts. In a world divided between haves and have-nots, gifted and common, Willet soon learns he's been passed the rarest gift of all: a gift that's not supposed to exist. Now Willet must pursue the murderer still on the loose in Bunard even as he's pulled into a much more dangerous and epic conflict that threatens not only his city, but his entire world--a conflict that will force him to come to terms with his own tortured past if he wants to survive.

Houston heiress Elizabeth Stanton lost nearly everything when a stunning betrayal by her ex-husband left her with only a fraction of the fortune her genteel Southern family had worked so hard for. Even now Mimosa Landing, Elizabeth's beloved home, could be stripped away unless she comes up with a serious infusion of cash. When brilliant self-made millionaire Maxwell Reardon approaches her with an audacious solution to her financial woes, Elizabeth is speechless. His proposal will certainly solve her problems, but it will set Houston society on its ear. Now it's up to Elizabeth to decide if this is a deal with the devil, or the best decision of her life.

Two teenagers struggle with a horrific family legacy in the sequel to Chase Novak's novel, Breed. Thirteen years ago, a radical fertility doctor helped bring Adam and Alice Twisden into the world. The treatment came at a great cost: it turned the twins' parents into barbarous animals and threatens to transform the children, too. As Adam and Alice find themselves on the brink of maturity, they starve themselves in a desperate attempt to stop their bodies from changing. Will they succumb to the same bodily horrors that destroyed their parents? Their aunt, Cynthia, who has always wanted to be a mother, oversees renovations to the Twisden family's Upper East Side residence--violently torn apart by the children's parents--and struggles to give her niece and nephew the unconditional love and stable home life they never had. Meanwhile, in the world outside, the forces of good and evil collide as a troop of wild teenagers, growing steadily in number, threatens to invade the calm refuge Cynthia is so determined to construct behind the safety of the Twisdens' walls. As New York City transforms into a battleground, Adam and Alice will have to decide where their loyalties lie. They are determined to lead normal lives--and yet their unnatural urges, which grow ever stronger by the day, can only be stifled for so long...

Twenty-five years in the ER could become a résumé for despair, but for bestselling author Dr. Robert D. Lesslie, it's a foundation for inspiring stories of everyday "angels"--friends, nurses, doctors, patients, and even strangers who offer love, help, and support in the midst of trouble. "The ER is a difficult and challenging place to be. Yet the same pressures and stresses that make this place so challenging also provide an opportunity to experience some of life's greatest wonders and mysteries." Dr. Lesslie illuminates messages of hope while sharing fast-paced, captivating stories about discovering lessons from the ER frontline watching everyday miracles unfold holding on to faith during tragedy and triumph embracing the healing balm of hope For anyone who enjoys true stories of the wonders of the human spirit, this immensely popular book is a reminder that hope can turn emergencies into opportunities and trials into demonstrations of God's grace.

Spirit of the Border is a historical novel. It is based on events occurring in the Ohio River Valley in the late eighteenth century. It features the exploits of Lewis Wetzel, a historical personage who had dedicated his life to the destruction of Native Americans and to the protection of nascent white settlements in that region. Riders of the Purple Sage is a Western Classic. Considered by many critics to have played a significant role in shaping the formula of the popular Western genre, the novel has been called "the most popular western novel of all time." The Rainbow Trail, also known as The Desert Crucible, is a sequel to Riders of the Purple Sage. The novel takes place ten years after events of Riders of the Purple Sage. The Lone Star Ranger is a Western novel that takes place in Texas, the Lone Star State, and several main characters are Texas Rangers, a famous band of highly capable law enforcement officers. It follows the life of Buck Duane, a man who becomes an outlaw and then redeems himself in the eyes of the law. The Border Legion tells the story of a cold hearted man named Jack Kells who falls in love with Miss Joan Randle, a girl his legion has taken captive near the Idaho border. Zane Grey (1872-1939) was an American author best known for his popular adventure novels and stories that were a basis for the Western genre in literature and the arts. With his veracity and emotional intensity, he connected with millions of readers worldwide, during peacetime and war, and inspired many Western writers who followed him. Table of Contents: Betty Zane The Spirit Of The Border The Last Trail Riders Of The Purple Sage The Rainbow Trail The Lone Star Ranger The Border Legion
