Select your Unit to see our practice vocabulary tests and vocabulary games for Sadlier-Oxford's book: Vocabulary Workshop Level A. Units for vocabulary practice with words from the Sadlier-Oxford Vocabulary Workshop Level A book.

A beautiful clothbound edition of a beloved classic to celebrate the 100th birthday of America's greatest playwright, with a sweeping new introduction by Pulitzer Prize–winner Tony Kushner.

Featuring vignettes, graphic organizers, instructional strategies, up-to-date research, and more, this updated bestseller helps educators understand the most effective ways to teach all students to read.

Provides exercises designed to stimulate vocabulary growth, offers specially designed sections to build skills required for standarized tests, and introduces three hundred new words.

Your students may recognize words like determine, analyze, and distinguish, but do they understand these words well enough to quickly and completely answer a standardized test question? For example, can they respond to a question that says "determine the point of view of John Adams in his Letter on Thomas Jefferson" and analyze how he distinguishes his position from an alternative approach articulated by Thomas Jefferson"? Students from kindergarten to 12th grade can learn to compare and contrast, to describe and explain, if they are taught these words explicitly. Marilee Sprenger has curated a list of the critical words students must know to be successful with the Common Core State Standards and any other standardized assessment they encounter. Fun strategies such as jingles, movements, and graphic organizers will engage students and make learning these critical words enjoyable and effective. Learning the critical vocabulary will help your students with testing and college and career readiness, and will equip them with confidence in reading, writing, and speaking. Marilee Sprenger is also the author of How to Teach So Students Remember, Learning and Memory, and Brain-Based Teaching in the Digital Age.

The ideal book for people who want to increase their word power. Thorough coverage of 1,200 words and 240 roots while introducing 2,300 words. The Vocabulary Builder is organized by Greek and Latin roots for effective study with nearly 250 new words and roots. Includes quizzes after each root discussion to test progress. A great study aid for students preparing to take standardized tests.
