#1 NEW YORK TIMES BESTSELLER • Now a major motion picture directed by Steven Spielberg. “Enchanting . . . Willy Wonka meets The Matrix.”—USA Today • “As one adventure leads expertly to the next, time simply evaporates.”—Entertainment Weekly A world at stake. A quest for the ultimate prize. Are you ready? In the year 2045, reality is an ugly place. The only time Wade Watts really feels alive is when he’s jacked into the OASIS, a vast virtual world where most of humanity spends their days. When the eccentric creator of the OASIS dies, he leaves behind a series of fiendish puzzles, based on his obsession with the pop culture of decades past. Whoever is first to solve them will inherit his vast fortune—and control of the OASIS itself. Then Wade cracks the first clue. Suddenly he’s beset by rivals who’ll kill to take this

Tons of /a New Photos! Bad Decisions! WTF Moments! Plus Fan Stories! Celebrities! Goats! As Americans, we hold these truths to be self-evident: We will shop. And when we do, especially at our favorite supercenter, we will wear and do the most bizarre things possible. From the wildly popular website PeopleofWalmart.com, this photo collection of Americans in their natural shopping habitat (70 percent of which is brand new and never before included on the website) presents people of all shapes and sizes wearing and doing everything imaginable in full view of their fellow shopping public. Plus, for the first time brand-new fan-submitted stories offer the most random experiences you can imagine! So welcome to a world where no shoes and no shirt are no obstacles, where parking lots are filled with dead deer, Bengal tigers, and old men in thongs riding

"Recovering." While that simple word that once described Dr. Francine Burk's situation, the reality is much more complex. Her new reality is feeling unduly thrilled by her increasing ability to walk across a room without assistance. And it's being offered a placement at a prestigious research institute where she can put to good use her recent award money. With the Foundation's advanced technological resources and a group of fascinating primates, Francine can begin to verify her subversive scientific discovery, in which she finds that the bonobos she's studying are as complex as the humans she's working alongside.

human body, broaching life, death, motion, and migration. Chopin's heart is carried back to Warsaw in secret by his adoring sister. A woman must return to her native Poland in order to poison her terminally ill high school sweetheart, and a young man slowly descends into madness when his wife and child mysteriously vanish during a vacation and just as suddenly reappear. Through these brilliantly imagined characters and stories, interwoven with haunting, playful, and revelatory meditations, *Flights* explores what it means to be a traveler, a wanderer, a body in motion not only through space but through time. Where are you from? Where are you coming in from? Where are you going? we call to the traveler. Enchanting, unsettling, and wholly original, *Flights* is a master storyteller's answer.

Celebrity Worship provides an introduction to the fascinating study of celebrity culture and religion. The book argues for celebrity as a foundational component for any consideration of the relationship between religion, media and culture. Celebrity worship is seen as a vibrant and interactive discourse of the sacred self in contemporary society. Topics discussed include: Celebrity culture. Celebrity worship and project of the self as the new sacred. Social media and the democratisation of celebrity. Reactions to celebrity death. Celebrities as theologians of the self. Christian celebrity. Using contemporary case studies, such as lifestyle television, the religious vision of Oprah Winfrey and the death of David Bowie, this book is a gripping read for those with an interest in celebrity culture, cultural studies, media studies, religion in the media and the role of religion in society.
