0. January 29, 2010. Anthony Sher's book Year of the King: An Actor's Diary and Sketchbook is a fascinating look at an actor and his process of working as he takes on the role of Richard III. He begins the process by examining the text and his character in a very studious, conscious manner. Then the process continues at an unconscious level as the script works on him and sends signals back to his conscious self.

The following is a list of the official regnal years of the monarchs of the Kingdom of England from 1066, the Kingdom of Great Britain from May 1707 to January 1801, and the United Kingdom from January 1801. The regnal calendar ("nth year of the reign of King X", etc.) is used in many official British government and legal documents of historical interest, notably parliamentary statutes.

When Darius became king, construction of the temple resumed in the second year of his reign. But the Jews's enemies again attempted to thwart their efforts. Tattenai, the Persian governor of Judea, wrote a letter to Darius in an effort to turn the king against the Israelites and stop the building of the temple.

The King (2019) The King. Hal, wayward prince and heir to the English throne, is crowned King Henry V after his tyrannical father dies. Now the young king must navigate palace politics, the war his father left behind, and the emotional strings of his past life.

Year of the Mad King: The Lear Diaries, is Antony Sher's account of researching, rehearsing and performing one of Shakespeare's greatest roles: King Lear. His honest, illuminating and witty commentary provides an intimate, first-hand look at the development of his Lear and the production as a whole. Also included are a selection of his paintings and sketches, many reproduced in full color.

A revealing look inside the Russian Super League by its first Canadian coach. Until now no Canadian had penetrated the coaching ranks of Russian hockey, but the year after the NHL lockout, Dave King became head coach of the Metallurg Magnitogorsk. From the beginning, King, Canada's long-time national coach and former coach of both the Flames and Blue Jackets, realized he was in for an adventure. His first meeting with team officials in a Vienna hotel lobby included six fast-talking Russians and the 'bag-man' assistant general manager Oleg Kuprianov, who always carried a little black bag full of U.S. one hundred dollar bills. The mission seemed simple enough: keep the old Soviet style combination play on offence, but improve the team's defensive play and win a Russian Super League Championship. Yet, as King's diary of his time in Russia reveals, coaching an elite Russian team is anything but simple. King of Russia details the world of Russian hockey from the inside, intimately acquainting us with the lives of key players, owners, managers, and fans, while granting us a unique perspective on life in an industrial town in the new Russia. And introducing us to Evgeni Malkin, Magnitogorsk's star and the NHL's newest phenomenon.

Now in paperback. The acclaimed account of researching and playing one of the greatest roles in English drama.

Debut novelist Kiki Hamilton takes readers from the gritty slums and glittering ballrooms of Victorian London to the beguiling but menacing Otherworld of the Fey in this spellbinding tale of romance, suspense, and danger. The year is 1871, and Tiki has been making a home for herself and her family of orphans in a deserted hideaway adjoining Charing Cross Station in central London. Their only means of survival is by picking pockets. One December night, Tiki steals a ring, and sets off a chain of events that could lead to all-out war with the Fey. For the ring belongs to Queen Victoria, and it binds the rulers of England and the realm of Faerie to peace. With the ring missing, a rebel group of faeries hopes to break the treaty with dark magic and blood-Tiki's blood. Unbeknownst to Tiki, she is being watchedand protectedby Rieker, a fellow thief who suspects she is involved in the disappearance of the ring. Rieker has secrets of his own, and Tiki is not all that she appears to be. Her very existence haunts Prince Leopold, the Queen's son, who is driven to know more about the mysterious mark that encircles her wrist. Prince, pauper, and thiefall must work together to secure the treaty... At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The actor's diary describes his experiences playing the title role in William Shakespeare's Richard III and how he developed his performance.

A revealing and dramatic chronicle of the twelve months leading up to Dr. Martin Luther King, Jr.'s assassination. Martin Luther King, Jr. died in one of the most shocking assassinations the world has known, but little is remembered about the life he led in his final year. New York Times bestselling author and award-winning broadcaster Tavis Smiley recounts the final 365 days of King's life, revealing the minister's trials and tribulations -- denunciations by the press, rejection from the president, dismissal by the country's black middle class and militants, assaults on his character, ideology, and political tactics, to name a few -- all of which he had to rise above in order to lead and address the racism, poverty, and militarism that threatened to destroy our democracy. Smiley's Death of a King paints a portrait of a leader and visionary in a narrative different from all that have come before. Here is an exceptional glimpse into King's life -- one that adds both nuance and gravitas to his legacy as an American hero.

A young king's ascension threatens a traitorous conspiracy of powerful nobles who plan to brutally eliminate all magic-users from their medieval realm The brief reign of Alroy Haldane is nearly at an end, as the life of the young king of Gwynedd slowly slips away. Called back from the abbey where he has sought sanctuary for the last three years, Alroy's twin, Prince Javan, prepares to ascend the throneagainst the wishes of the former regents, who plan to enslave or destroy all Deryni in the kingdom. Though human, Javan secretly possesses the psychic powers of the magical race that the powerful faction of great lords and religious zealots strives to eliminateand it is this ability that alerts him to the terrifying scope of their dark treachery. While his enemies do not yet realize how determined a foe the young liege is, Javan must summon remarkable courage and cunning if he hopes to prevail against themor even survive. In the middle chapter of her enthralling medieval fantasy trilogy, the Heirs of Saint Camber, award-winning author Katherine Kurtz adds richness and depth to the alternate world she has so magnificently brought to life in three previous series. Blending exquisitely detailed history with breathtaking invention, Kurtz proves once again that she is without equal in the popular realm of fantasy fiction.

A never-before published tale by the author of the best-selling Hittite Warrior, carries the reader back to Ancient Egypt and biblical Jerusalem. It is 701 B.C-rule of the Kushite dynasty in ancient Egypt. Young Prince Taharka, a very minor royal son, succeeds unexpectedly to the throne of Kush and Egypt-a divine rulership. It's not long, however, before a treacherous plot pushes him into sudden exile and into the hands of Amos, an emissary of King Hezekiah seeking help against the Assyrians. Posing as a medical assistant, Taharka journeys with Amos to Judea where he encounters two kings in conflict. His true identity suddenly uncovered, he must choose with whom he will fight-the mighty Assyrian, Sennacherib, promising alliance or Hezekiah, the Jew who trusts in Yahweh. A novel inspired by research on the historical King Taharka and his period.

New York Times Bestseller: This retelling of the Greek myth of Theseus, king of Athens, is 'one of the truly fine historical novels of modern times' (The New York Times). In myth, Theseus was the slayer of the child-devouring Minotaur in Crete. What the founder-hero might have been in real life is another question, brilliantly explored in The King Must Die. Drawing on modern scholarship and archaeological findings at Knossos, Mary Renault's Theseus is an utterly lifelike figurea king of immense charisma, whose boundless strivings flow from strength and weaknessbut also one steered by implacable prophecy. The story follows Theseus's adventures from Troizen to Eleusis, where the death in the book's title is to take place, and from Athens to Crete, where he learns to jump bulls and is named king of the victims. Richly imbued with the spirit of its time, this is a page-turner as well as a daring act of imagination. Renault's story of Theseus continues with the sequel The Bull from the Sea. This ebook features an illustrated biography of Mary Renault including rare images of the author.
